

Returned Check Policy

Entranosa Water and Wastewater Association will assess a **\$30.00 plus tax** fee for all returned checks. As a courtesy, we will re-submit a returned check once. Check writers are advised that most banks charge an *Insufficient Funds* fee ranging from \$20.00 to \$35.00 **each time** a check is deposited and returned for Insufficient Funds. This fee is in addition to the **Returned Check-Handling** fee, assessed by Entranosa
