

Annual Meeting Celebrates America's 250th!

For the Annual Member Meeting on Sept. 26, the one-and-only Burger Boy was selected to serve their famous Green Chile Cheese Burgers. Burger Boy's manager, Mike Zieminski, shows how the memorable burgers are cooked. This year's theme will be the celebration of America's 250 anniversary, so expect lots of

Zieminski

red, white and blue under the big tent. But the meeting also features real business: Three Board positions are on the ballot, currently held

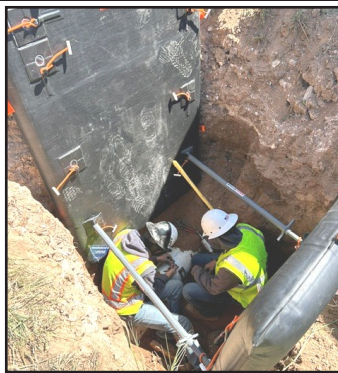

Hodges

by Rob Baracker, Dennis Hodges and Skip Mead. After 20 years on the Board, Dennis has decided not to run again. If you are interested in the board, please request a Board of Directors Questionnaire or download it from the website. In addition, there are Bylaw changes to be decided by our membership.

Safety First!

During a recent road bore along Frost Road, Entranosa's crews used their cave-in protection. The trench they were working in was seven feet-deep and they weren't able to properly slope the excavated material.

Search for CEO

Board of Directors Paul Gorder, Rob Baracker and Linda Barbour are part of the CEO selection committee going over 60 applicants' resumes that have been submitted for the CEO position. This is the first round being reviewed, followed by a second round in the next 30 days. Once the committee has narrowed down the

applicants, the full Board will review and recommend the final list to be interviewed during August. The Board is hoping to have a new CEO to start

work by December. The current CEO, Jack Crider, is retiring in December. If members are interested or know of a qualified candidate, please submit a resume to jcrider@entranosawater.com.

Clean Audit for 2025

Jake Dopson, (closest to screen) managing partner of Pulakos CPAs, reviews the annual audit with the Board of Directors during the May

meeting. Entranosa earned the highest revenue in its history with more than \$5.1 million. The auditors reported that it is a clean audit, no management letter was required and adjustments were all minor.

Entranosa Water Association

Office: (505) 281-8700

Emergency: (505) 604-5935

Monday - Friday 8:00 am - 4:30 pm as of April 1st

Entranosa is an equal opportunity employer

Emergency call 505-604-5935 24/7 including holidays.

- ◇ **Reliably supply quality drinking water at a reasonable price to our membership, such that the Association is self-sustaining**
- ◇ **Promote water conservation**
- ◇ **Provide leadership for our Community concerning water issues**
- ◇ **Protect our ground water resources through environmentally responsible business practices**
- ◇ **Pursue water service opportunities in the East Mountain and Estancia Basin Regions**

ENTRANOSA'S MISSION STATEMENT

ENTRANOSA WATER NEWS

*Committed to Providing Safe, Clean Water to All Our Members
Celebrating 43 Years of Service*

Water Hardness Reading as of 5/27/26: 24 grains

**Average Water Usage: May, 6,595 gal; April, 5,375 gal.
Average Monthly Bill: \$74**

Frost Road Extension

The Frost Road trail extension has caused some challenges for all the utilities. Entranosa crews have spent days hydro-excavating to find the existing waterlines. There are three 120+foot bridges and large culvert systems that

need minor relocations so Entranosa has enough space to do repairs if (or when) leaks occur.

BERNALILLO COUNTY PROJECT

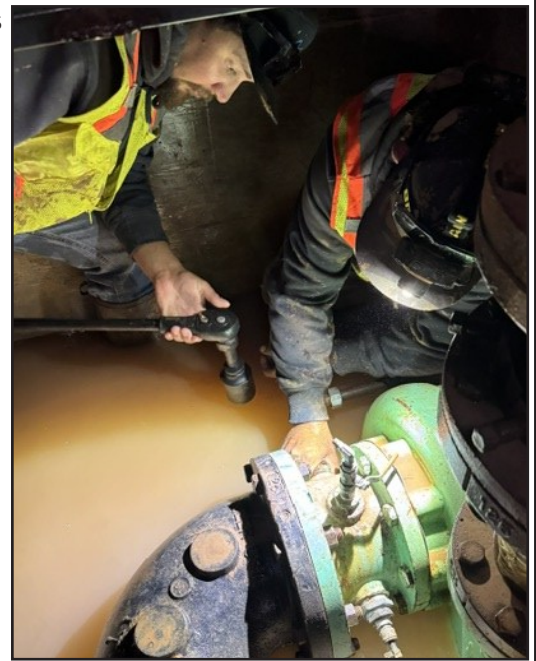

Frost Road Trail Project
Eric Olivas, Commissioner, District 5

Project Cost: \$1,619,237.26 Project Manager: Andrew Pacheco

No Caped Crusaders Necessary

Just before graduation ceremonies were scheduled to begin at the Route 66 Elementary School, operators Tristan Encinias and Eli Chavez were called in to stop a serious leak. Working in cramped and damp conditions in the Moriarty/Edgewood school, they fixed the leak. As the old saying goes, "they saved the day."

Water From the Well(s)

Entranosa is preparing for a busy dry season at our water machine at the Tijeras office. We added a second tank to bring the storage capacity to over 500 gallons. This additional capacity should help during the busy Friday and weekend drive-up business.

New Building, New Hydrant

Entranosa operator Tristan Encinias works on installing a fire hydrant in front of the new Dollar General Store off Route 66. The store just west of the Entranosa office, is scheduled to open in mid-June and is currently hiring employees. The address is 1309 Highway 333, in Tijeras.

Entranosa's Board of Directors

Chair: Rik Thompson, **Vice Chair:** Robert 'Rob' Baracker, **Secretary:** Linda Barbour, **Treasurer:** Dennis Hodges

Members: C.J. 'Skip' Mead, Steve King, Paul Gorder
